Failure to provide information requested may result in delay of extending open credit and or rejection of credit request.

Governing Law. This Agreement has been entered into in the State of Massachusetts and the validity, performance and construction of this Agreement shall be governed and interpreted in accordance with the laws of the State of Massachusetts. If any action is brought to enforce the terms of this Agreement, such action may be brought in any court of competent subject matter jurisdiction located with the State of Massachusetts, and each party hereby consents to the jurisdiction and venue of the state and federal courts within the State of Massachusetts.

Entire Agreement. This Agreement, including its General Terms and Conditions, embodies the entire agreement and understanding of the parties, supersedes all prior agreements and understandings of the Parties related to subject matter hereof, and may not be contradicted by evidence of any prior or contemporaneous oral or written agreement. Receipt of facsimile copy of any Party's signature shall be considered an original for all purposes under this Agreement and all Parties agree to provide its handwritten signature upon request. No amendment to this Agreement shall be valid or given effect unless executed by the Parties.

Attorneys' Fees/Costs of Collection. In the event that the customer defaults by failing to make payments due to American Steel and Aluminum, LLC under this Agreement and American Steel and Aluminum, LLC is required to enforce its rights to collect same, the customer shall be responsible to American Steel and Aluminum, LLC for reasonable attorneys fees and costs of collection.

Applicant's signature attests financial responsibility, ability and willingness to pay debt incurred in accordance to terms.
Acceptance of payment in arrears or of a partial payment shall not be deemed a waiver of right to demand prompt payment.

The applicant understands this application may be revoked or rejected by American Steel And Aluminum LLC at any time.
